See the separate list of “ADDON-Pricelist for an overview of all available documents and modules.

The update comes with a year free technical support if you need installation help.

The RadarOpus Libraries contain:

From 21 up to 1543 volumes of Materia Medica, Recent and old Proving, Therapeutics, Philosophy, Journals, Dictionaries, Hundreds of Cured Cases and much more. Including a unique collection of rare and out of print books. With this world's most amazing homeopathic library you will discover all you need for your patients.

There are also many individual titles available.

Library upgrades →		The number of volumes is calculated in the paper editions of the titles. In RadarOpus the volume number can be different then mentioned here because of a different structure in the TOC. You will always keep the titles you already have, even if not included in the new Libraries.			Price € (ex vat) Incl vat
