	<p>Help, Manuals and Tutorial videos All packages come with an additional RadarOpus manual, which can be downloaded to your harddrive. From this manual you can start many introduction and advanced tutorial videos.</p>		
	<p>Additional Personal Training Your local distributor will be able to give you some short explanation to check if the software is correctly installed and all settings are optimal. Many local distributors also offer additional live training, for a reasonable fee. One hour will cover all basic topics. With an additional hour, advanced topics and the patient file can be covered. You will need a to install Skype and have a moderate or good internet speed.</p>		
	<p>Technical Support & Guarantee All packages come with excellent support consisting of the following: 12 months free technical Text support for any install questions, for one computer, and 3-months free Live support (support can access your computer from a distance) from the moment you install the program, according to a "fair use" policy (on one computer, and with normal occurring situations). Zeus-soft guarantees that your software will receive free all needed updates for at least one year, if new Windows or MAC Operating system updates requires RadarOpus adaptations. After 12 months, if a RadarOpus update would be required, these will be offered for a very reasonable price. There is always additional technical live support available which is offered for a very reasonable amount per incident.</p>
