LALOR L., Homeopathy and Psychiatry (This book comes with the Lalor module: see under modules)	 Quote: Most recently, a young Belgium homeopath asked me how to get more out of the Repertory. I suggested she slowly read through the <i>Delusion</i> rubrics, making sure to understand each one. It is this insight which makes me very happy to endorse this enormous work of Liz Lalor. The <i>Delusion</i> rubrics are treasures which need to be unlocked. Some homeopaths dismiss them altogether as delusions which are too difficult to rely upon. Liz Lalor has come up with a most interesting concept to not only understand these critical rubrics but to effectively use them in practice.	● Also part of Lalor module	Also part of Lalor module
